1. The French in Bangkok have approached the Chinese Communists to discuss the Viet Nam question in conjunction with possible French recognition of the Communist regime in China.
2. It is feared that MAO Tse-Tung will have to sacrifice the cause of Viet Nam to win French support. Some sort of agreement may be signed between France and the Chinese Communist government which will assure France that she need have no fear of Chinese Communist intervention in Viet Nam."

* 25X1A Comment. If true, this report shows some interesting doubts on the part of a prominent Vietnamese in Bangkok concerning the sincerity of the Chinese Communists.
